# Customer Portal

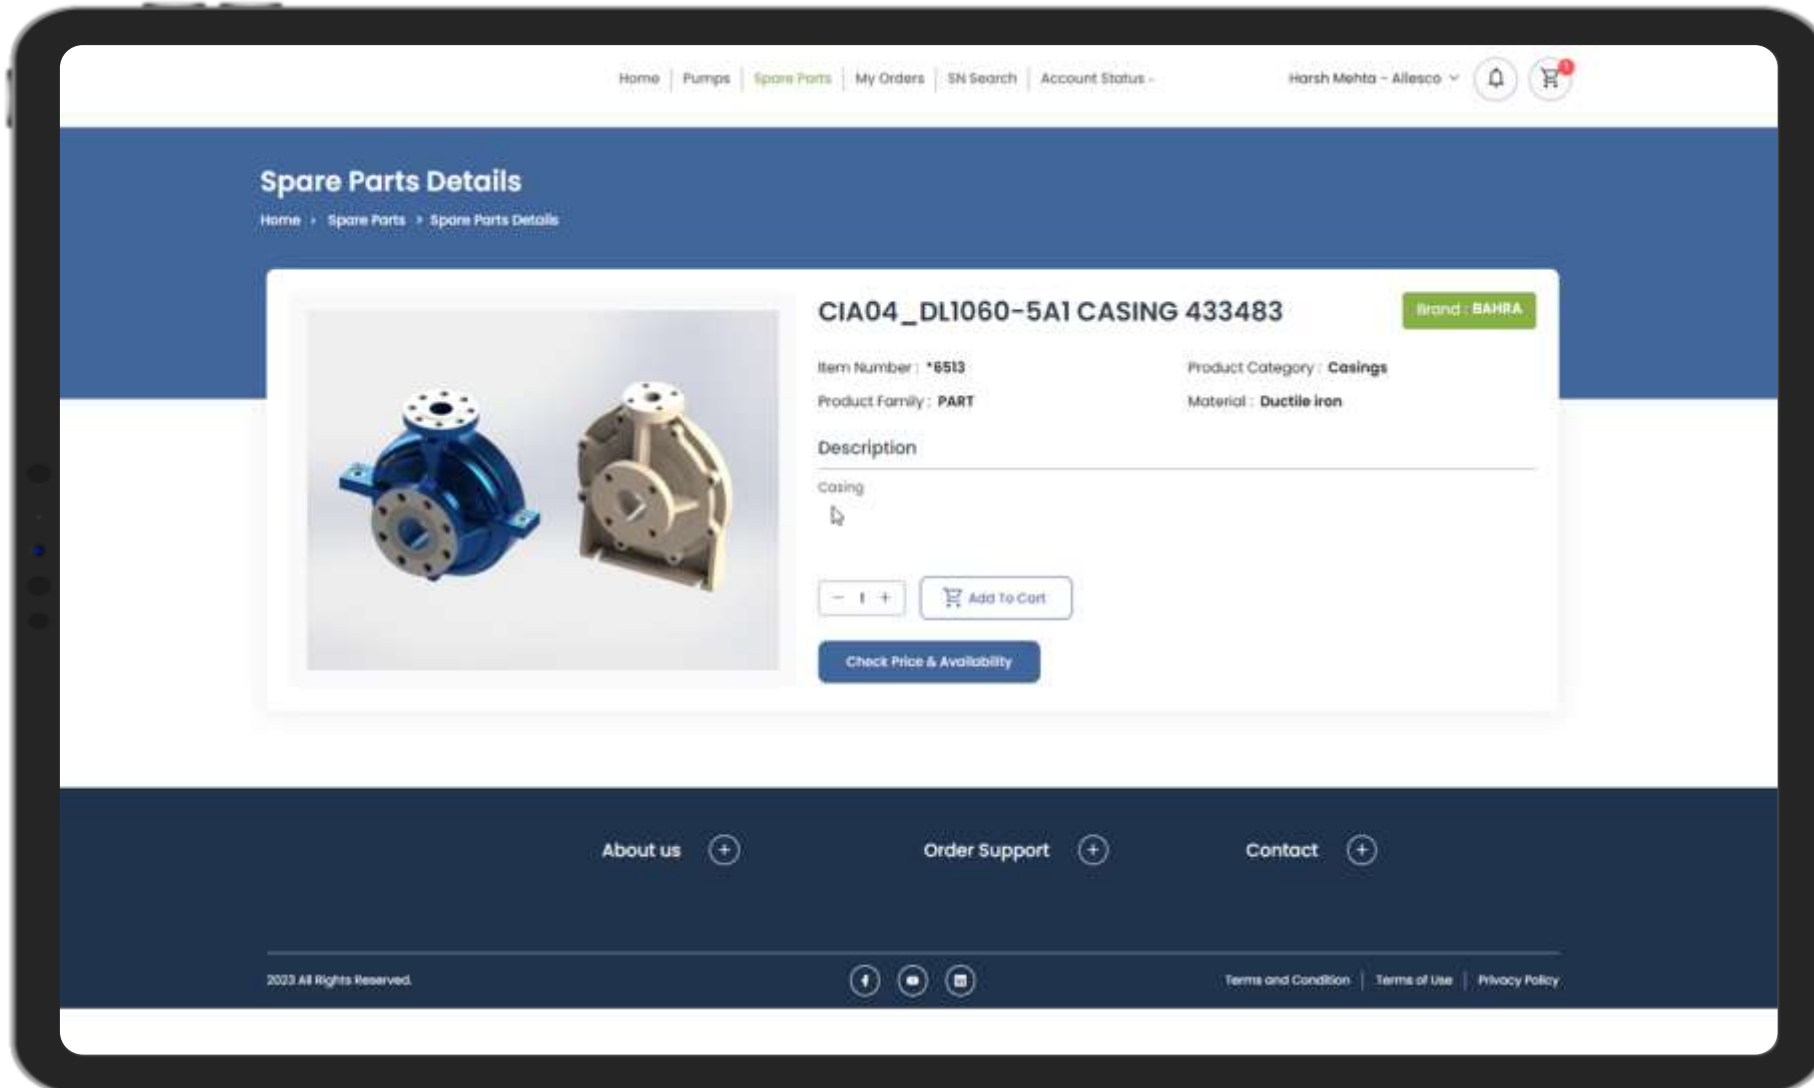

---

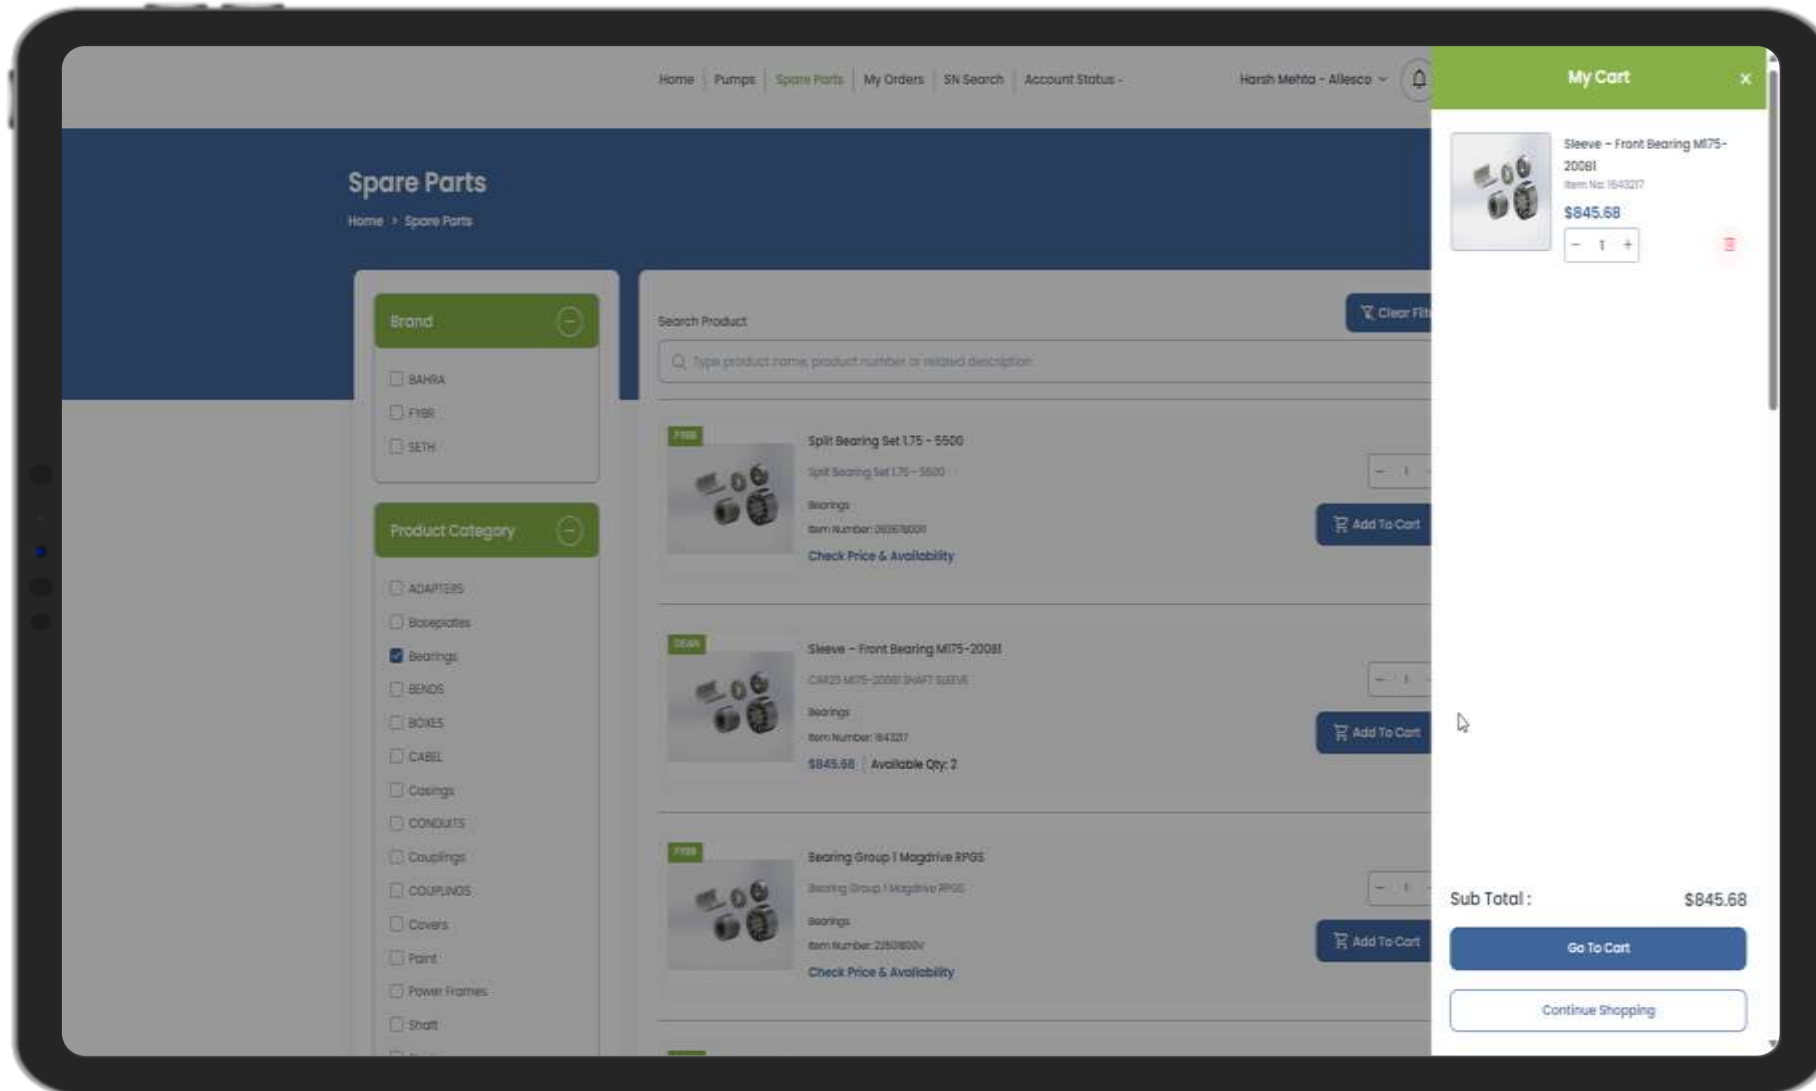

View a comprehensive list of available products, with real-time stock updates for easy browsing and selection.

Access detailed information about each product, including specifications, pricing, and availability, all synced with D365.

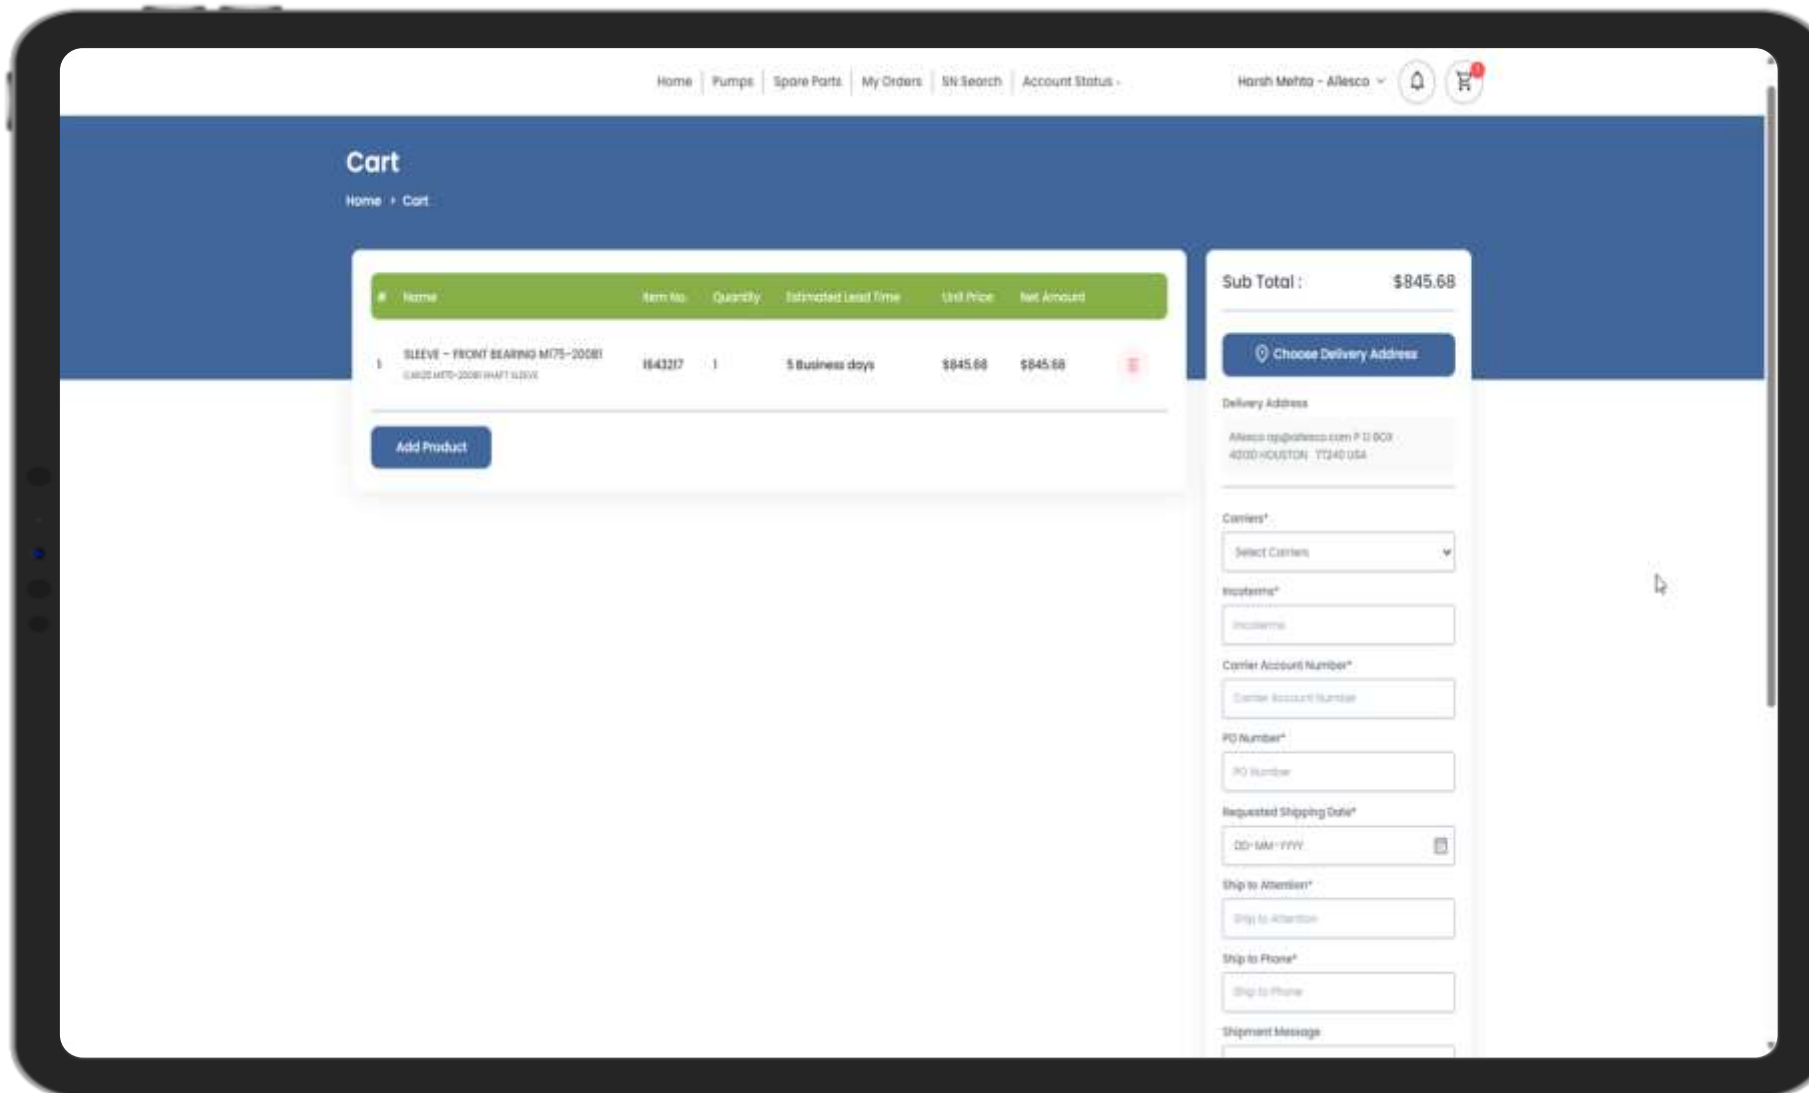

Quickly review items added to the cart without leaving the product page, with real-time updates on prices and quantities.

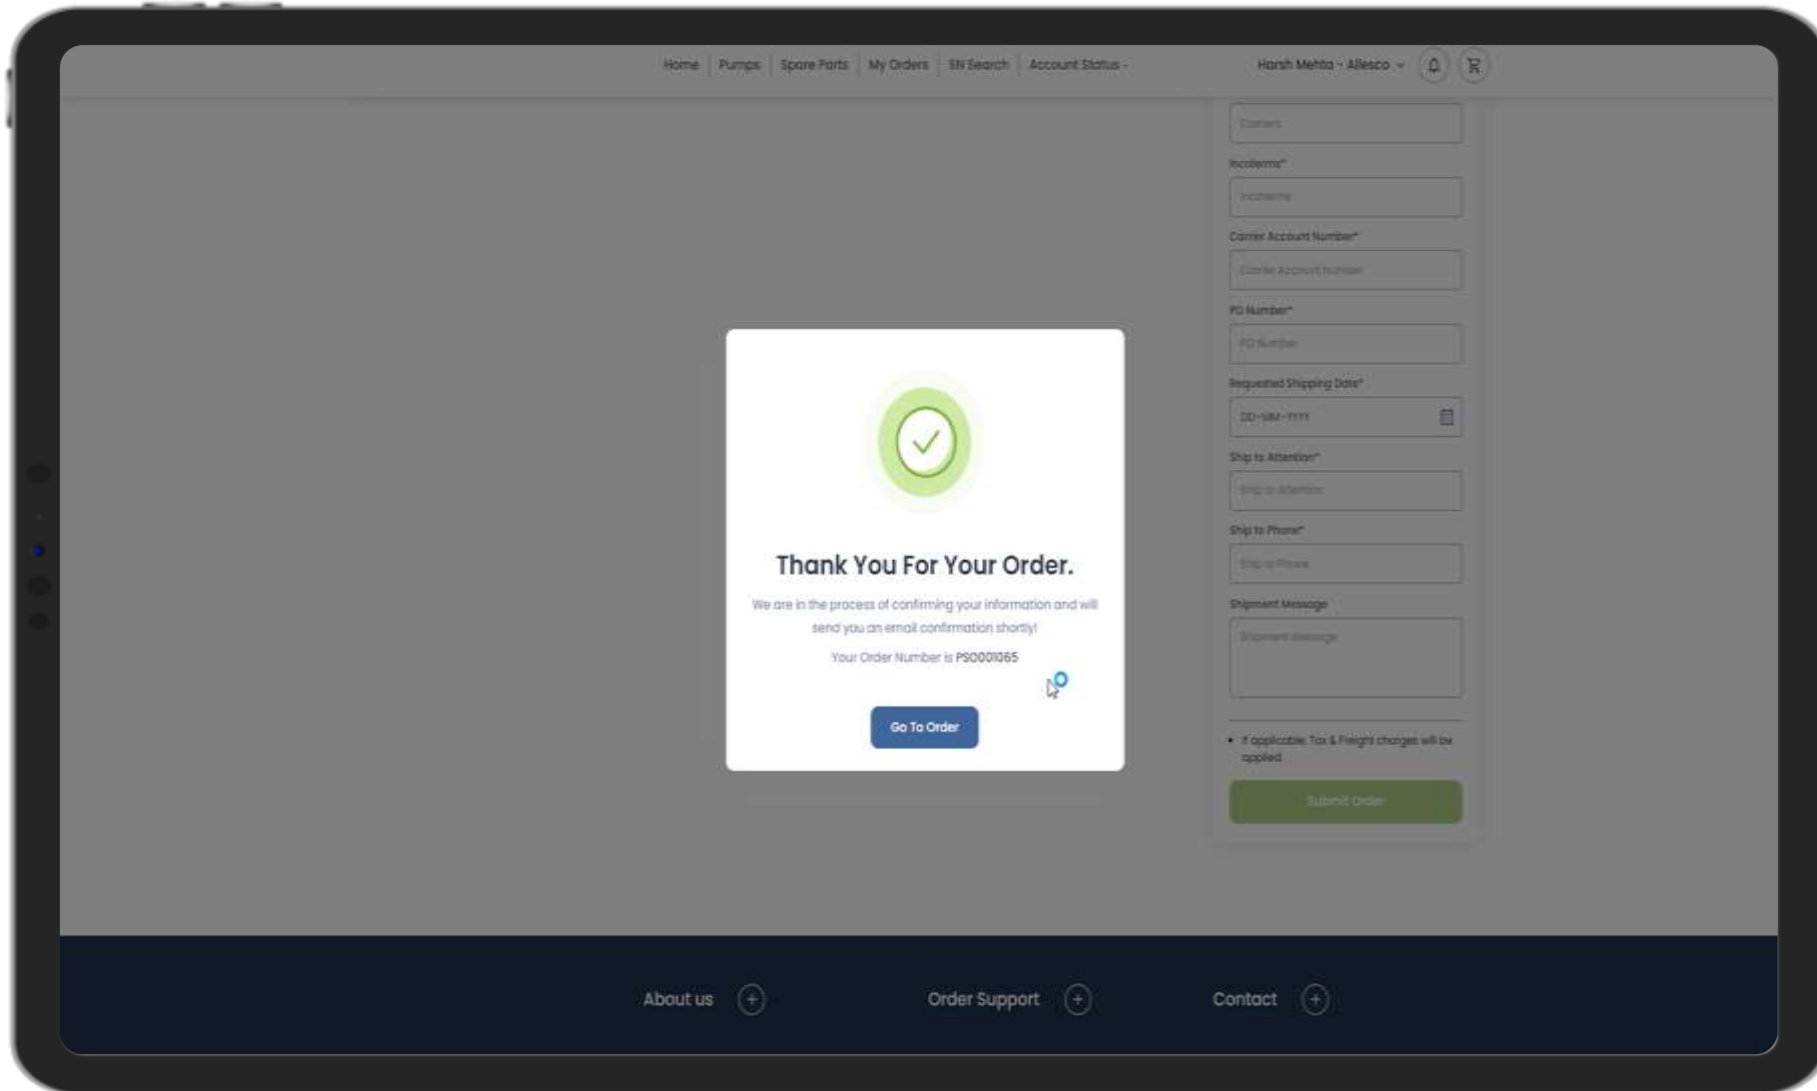

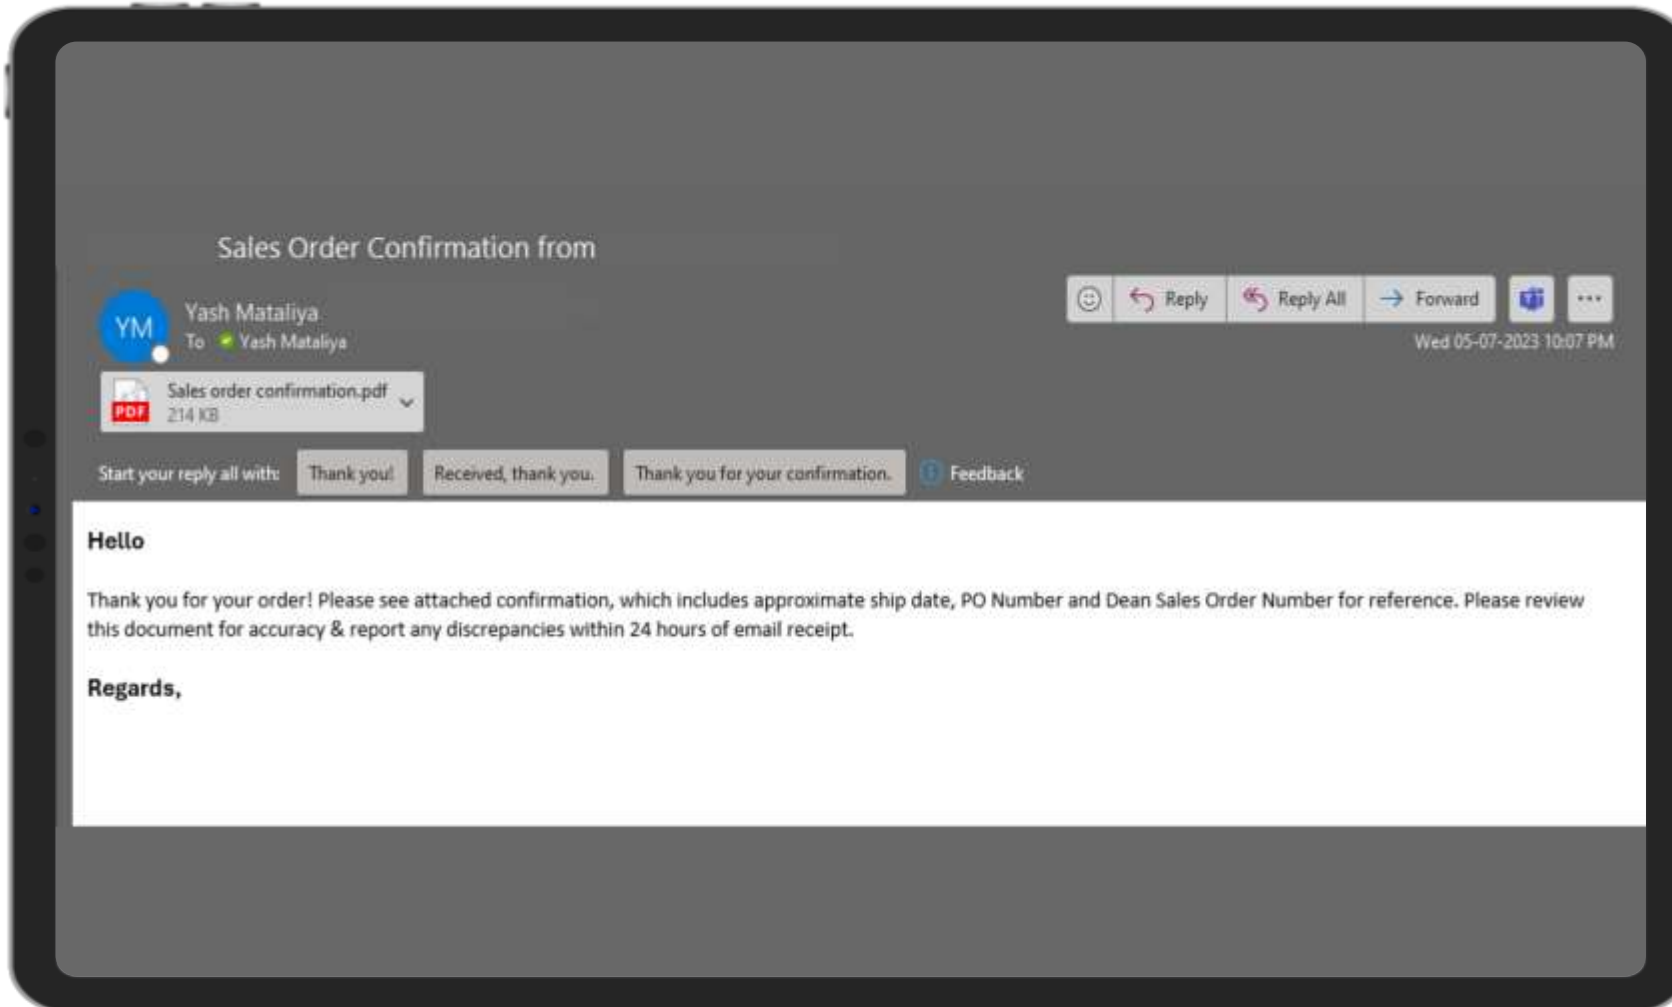

Manage your cart seamlessly by updating quantities, removing items, or proceeding to checkout, all in one streamlined interface.

Place orders using a simple checkout process that ensures your details are synced directly with D365 F&O.

Orders sync with D365 F&O via Dual Write, and a custom batch confirms orders, triggering an email with a PDF confirmation. Customers can track orders, view packing slips, and access invoices through the portal for full visibility.

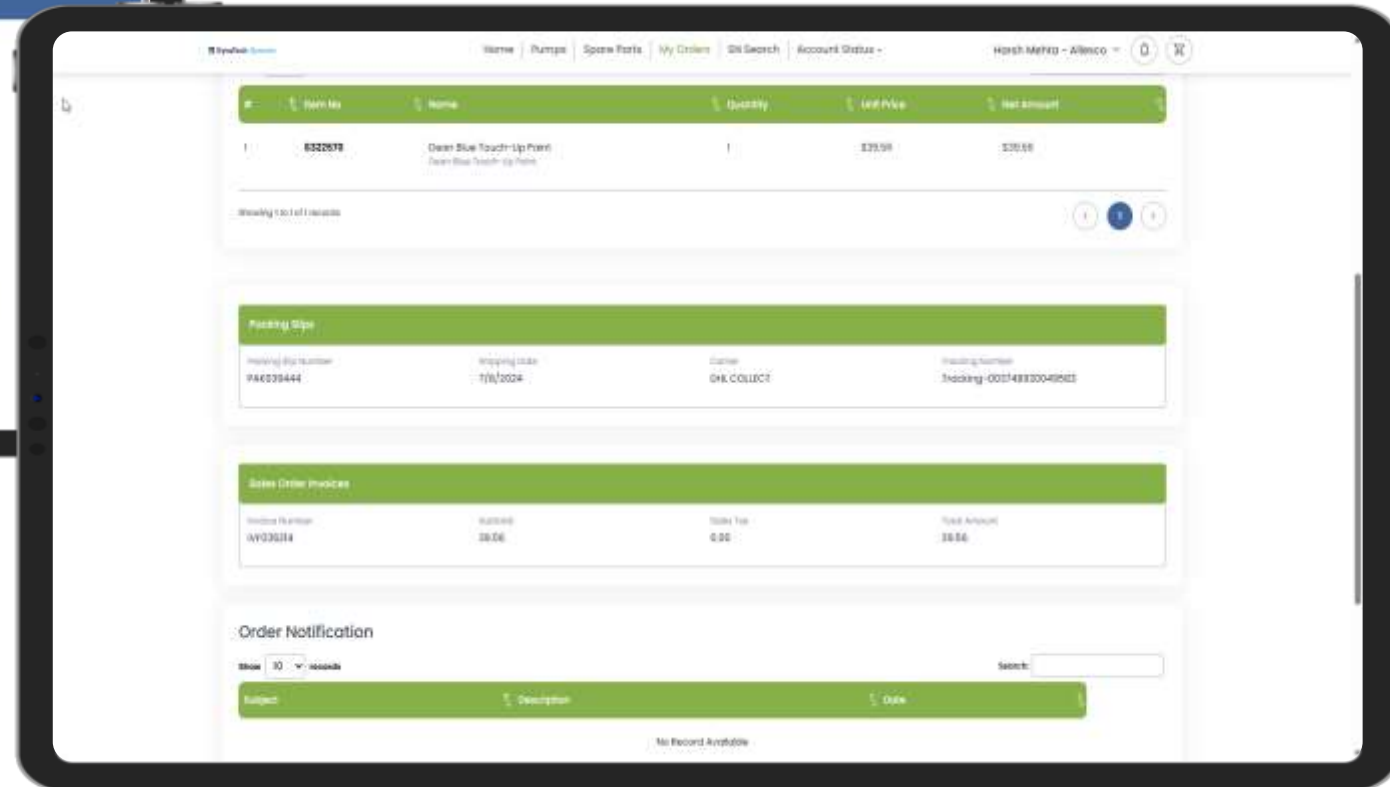

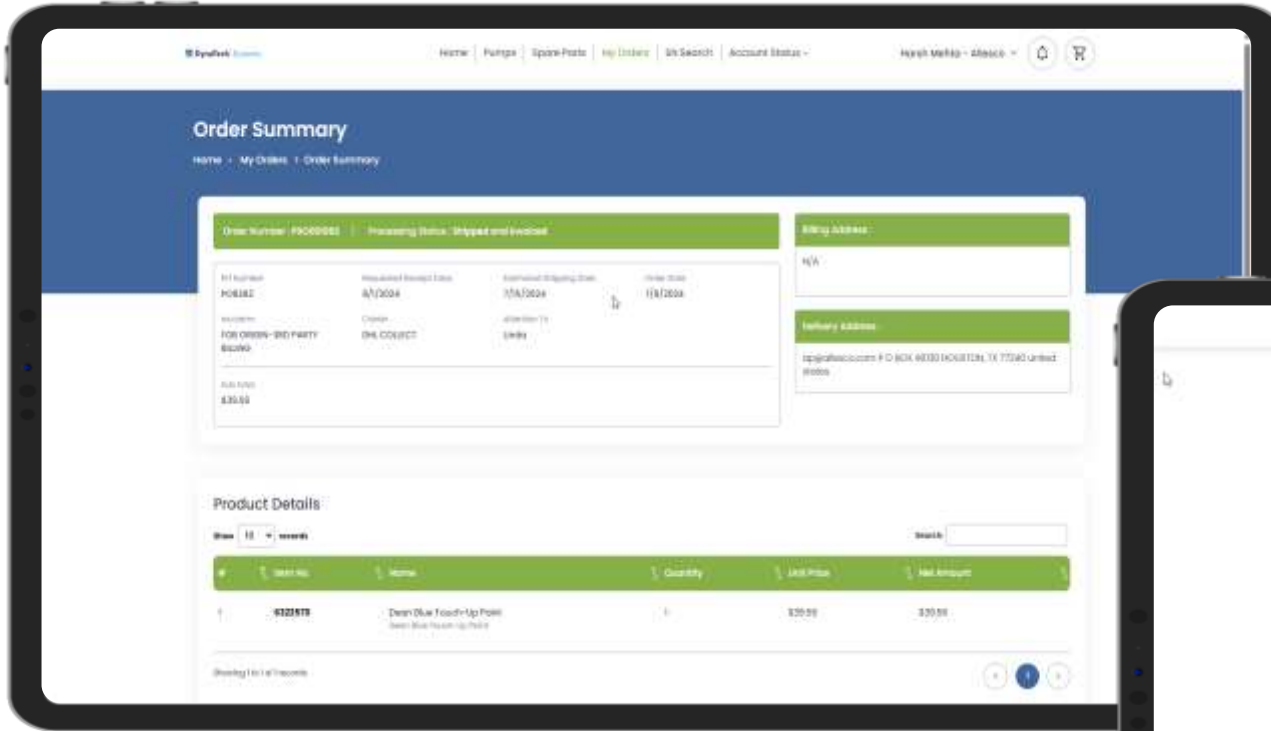

Review your complete order history, tracking progress from placement to delivery, and managing all past transactions efficiently.

The screenshot displays the 'My Orders' page in the DynaTech Systems Customer Portal. The page header includes navigation links for Home, Pumps, Spare Parts, My Orders (active), SN Search, and Account Status. The user is logged in as Harsh Mehta - Allesco. The main content area shows a list of orders with the following columns: PO Number, Order Number, Estimated Ship Date, Shipping Name, Amount, Status, and Order Date. The table contains six rows of order data.

PO Number	Order Number	Estimated Ship Date	Shipping Name	Amount	Status	Order Date
34444	PSO001063	07/15/2024	Allesco	\$557.65	Open	07/08/2024

	PSO001046			\$230.00	Open	04/08/2024

Get a detailed breakdown of each order, including product quantities, prices, and shipping information for full transparency.

Customers can download invoice PDFs from the portal, identical to those in D365 F&O. Invoices are stored in D365's Print Archive, then securely uploaded to Azure Blob Storage for easy access.

The screenshot displays the 'Invoice Summary' page in a customer portal. The page features a navigation bar at the top with links for Home, Pumps, Spare Parts, My Orders, SN Search, and Account Status. The user's name, Harsh Mehta - Allesco, is visible in the top right corner. The main content area is titled 'Invoice Summary' and includes a 'Download' button. Below the title, there are several sections: 'Order Number: IVF036213' and 'Payment Due Date' are shown in a green bar. A table provides details about the invoice, including the date (7/5/2024), sales order (PS0001090), customer ID (C0000377), PO number (IVF036213), terms of payment (Net 60 days), incoterms (Exworks), carrier (DHL COLLECT), and payment status (Partially Paid). A summary table shows the sub total (\$845.68), freight charges (\$0.00), sales tax (\$0.00), and total amount (\$845.68). To the right, the billing address is listed as 'null' and the delivery address is 'ap@allesco.com, P O BOX 40330 HOUSTON, TX 77240 united states'. Below these sections is a 'Product Details' section with a search bar and a table showing one item: 'Sleeve - Front Bearing M175-200B1 CARDS M175-200B1 SHAFT SLEEVE' with a quantity of 1, unit price of \$1208.02, and net amount of \$845.68.
