

Contract Management System

Manual contract management can lead to missed deadlines and compliance issues. Our Contract Management System centralizes your contract processes, providing key benefits like:

Centralized Contract Repository

Streamlined Review & Approval Process

Compliance and Reporting Insights

01 Centralized Contract Repository

Access all contracts in a searchable hub with details, risk assessments, and attached documents easily retrievable.

02 Automated Alerts and Notifications

Receive customizable alerts for renewals and deadlines, ensuring no key milestone is missed.

03 Contract Review & Approval Process

Automate approvals with predefined workflows, allowing risk assessments and seamless routing to legal teams.

04 eSignature Integration

Utilize Adobe Sign for secure signing and management within the app, including mobile signing and automatic document status updates.

05 Compliance and Reporting

Generate insightful reports and dashboards highlighting compliance metrics and contract statuses with just a few clicks.

06 Performance Monitoring

Track contract performance with counterparties through real-time assessments and feedback stored in a dedicated dashboard.
